- Restored to the latest Detroit Diesel performance specifications
- Meets current DDC specifications
- “No Hassle” Core Acceptance; if core acceptance criteria is not met, a nominal fee covers all damage no matter how extensive
- All wear items are replaced with only 100% Genuine DDC parts. Every reliabl engine is dynamometer tested using DDC test protocol. Each engine includes the dynamometer test report
- reliabl remanufactured engines are covered by a 1 year/100,000 Mile warranty with the option to buy extended coverage

Engine orders and quotes are based on engine serial number identification to ensure the correct replacement. Have your current engine serial and model number ready when calling.
